## How do I get connected with the BCCY Swim Team?

### To receive text updates:

- Download the “Remind” app on your smart phone.
- Create an account if you do not already have one.
- Enter the code “BCCY” to receive Swim Team Updates to your phone!

### Why should I sign up for remind?

- Remind is how we distribute important, time sensitive information. For example, if the pool is closed, practice or meets are delayed or cancelled due to weather and reminders about meet entries. Remind is run by Coach Bug.

### To sign up for our blog:

- Enter the following website in your internet browser: [www.barracudabytes.com](http://www.barracudabytes.com)
- On the right hand side enter your email address under the section that says “Follow Blog Via Email” to receive emails every time a blog update is posted.

### Why should I sign up for the blog?

- Barracuda Bytes is how we distribute more lengthy information such as t-shirt orders, swim meet information, team parties and other important information that is too detailed to send out via text message. The blog is run mainly by parent volunteers, but is monitored by Coach Bug. She often sends updates via the blog as well.

### To sign up for our Parent’s Facebook Group:

- Search “Benbrook Barracuda Parents” in your Facebook search engine.
- Request access to join the group.

### Why should I sign up for the Facebook group?

- The Facebook group is where Barracuda Parents can support other Barracuda Parents. There are often pictures shared, parents selling swim suits that their children have outgrown and reminders from other parents. This is a great place for team comradery. While updates are often posted by other parents, Coach Bug often shares announcements and information on the Facebook group in addition to the other two outlets of communication.
